## Craft Kit Instructions

### Fire Breathing Dragon

*Thanks to **Learning and Exploring Through Play** for the instructions!*

<https://www.learningandexploringthroughplay.com/2017/01/toilet-roll-dragon-craft.html>

#### You Will Need:

- Toilet paper rolls [Provided by the Library]
- Construction paper [Provided by the Library]
- Glue or tape (we recommend double-sided tape) [You Provide]
- Pom poms (medium and small) [Provided by the Library]
- Googly eyes [Provided by the Library]
- Streamers or gift tissue [Provided by the Library]
- Scissors [You Provide]

#### Instructions

Step 1: Cover your toilet paper roll with construction paper. To secure it use glue or tape.

Step 2: Glue or tape two medium sized pom poms on the end of the toilet paper roll for the dragon's eyes. Glue or tape two small pom poms near the other end for the dragon's nostrils.

Step 3: Glue or tape googly eyes onto the medium sized pom poms on the side near the dragon's nostrils.

Step 4: Cut the streamers or gift tissue into long strips. Glue or tape them to the toilet paper roll opposite the dragon's eyes.

Step 5: Take a deep breath and blow through the dragon's mouth from behind its eyes – you've brought a fire-breathing dragon to life!
